## **FLU ASSESSMENT CENTRES** **Volunteer Information**

To all interested Volunteers:

We are in need of volunteers that would be interested in helping at any future Flu Assessment Centre within the Parry Sound Area.

Volunteers would be assisting at these centers in a non-medical capacity such as:

- Guiding patients around the facility.
- Providing food for the medical staff.
- Documenting patient information.
- Parking lot attending.
- Assisting with centre set-up and take down.
- Assisting with supplies.

If you are interested or know of anyone in your organization that would be interested please email Dave Thompson [dthompson@sequin.ca](mailto:dthompson@sequin.ca) or Ana Collins [acollins@sequin.ca](mailto:acollins@sequin.ca) or call 705-732-4300 to provide them with your name and contact information.

This information would be very helpful in order for us to organize a list of Volunteers that would be, ready on hand in case of a pandemic.

Thank you!
